

The Compass Star!

By: Wendy Engel

Size - Approx. 38 1/2 in square. 1/4 in seam allowance.

3 Fabrics needed-

A print for the center, a color for the star points and a background.

Center - Cut 1 19 1/2 in square.

Star Points and background - Cut 1 10 1/2 in strips each color. Cut into 10 1/2 in squares. (4)

Corners - Cut 4 10 in squares in the background fabric.

Make half square triangles, see diagram 1. Cut apart.

Follow layout Put together the top row first. Sew compass points on each side of center square. Finally bottom like the top. Put rows together using pins for nice seams. Remember pins are our friends!
