

"X" MARKS THE SPOT

MATERIALS NEEDED:

For one 12 1/2" (unfinished "X Block A") you will need:

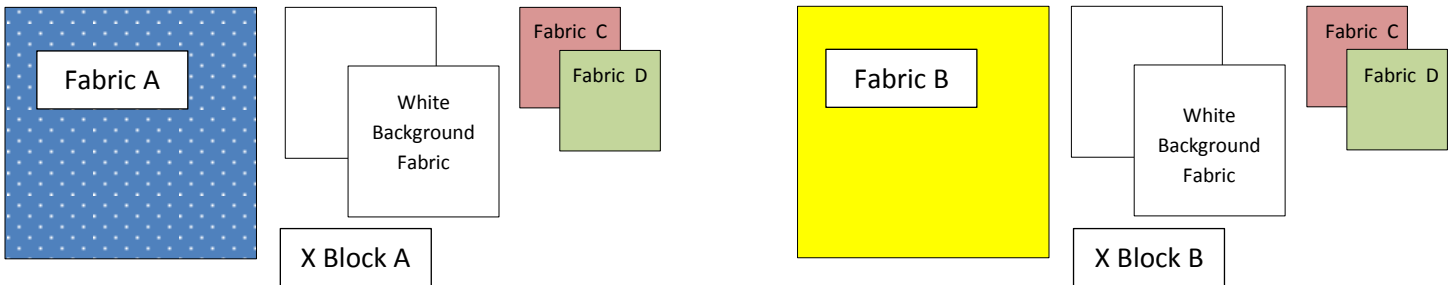

- Four (4) 6 1/2" squares of Fabric A
- Eight (8) 4" squares of White Background Fabric
- Four (4) 3" squares of Fabric C
- Four (4) 3" squares of Fabric D

For one 12 1/2" (unfinished "X Block B") you will need:

- Four (4) 6 1/2" squares of Fabric B
- Eight (8) 4" squares of White Background Fabric
- Four (4) 3" squares of Fabric C
- Four (4) 3" squares of Fabric D

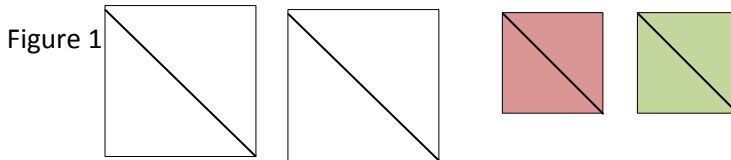

For each 12 1/2" "X Block A" or "X Block B" you will need to make four (4) 6 1/2" squares as follows:

- Fabric A: 6 1/2" square for the center
- Background Fabric: Two (2) 4" squares for the white strips
- One (1) 3" square of Fabric B for a corner triangle
- One (1) 3" square of Fabric C for opposite corner triangle

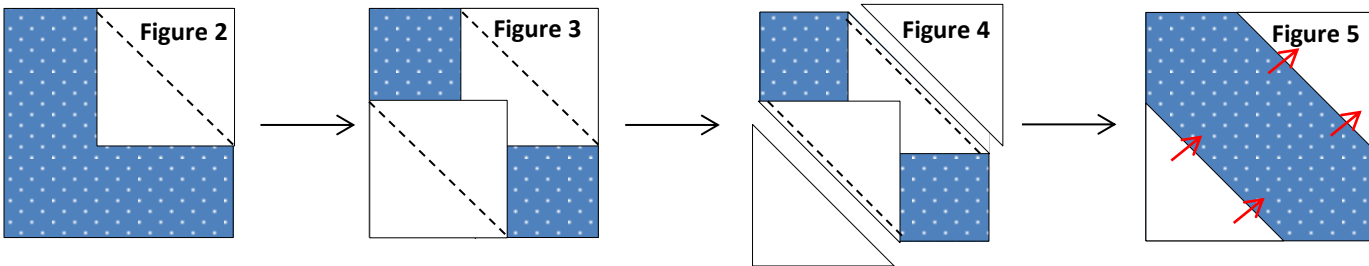

Directions to make X Block A:

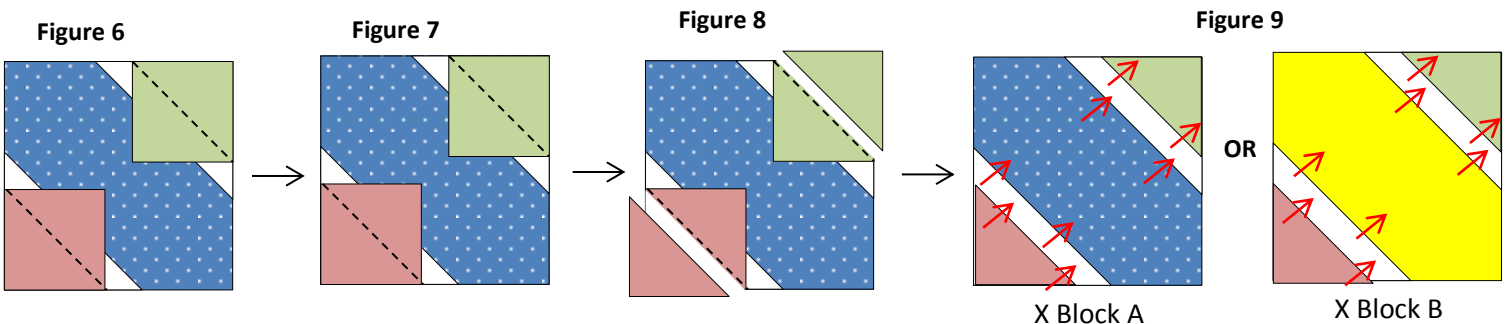

1. On the *wrong side* of each of the 4" and 3" squares, draw a pencil line on the diagonal. (Fig. 1)

2. Place a white 4" square on the corner of the 6 1/2" square. Sew on the diagonal pencil line. (Fig. 2)

3. Repeat with another white 4" square on the opposite corner of the 6 1/2" square and sew on the diagonal pencil line. (Fig. 3)
4. Trim 1/4" away from the sewn diagonal pencil line on both corners. (Fig. 4)
5. So that seam will nest together for sewing, always press seams for this block in one direction (red arrows). (Fig. 5)
6. Repeat instructions 2-4 with the 3" squares, placing them over the corner white triangles. (Fig. 6) Sew on the diagonal pencil lines. (Fig. 7) Trim away 1/4" from the sewn diagonal pencil line on both corners. (Fig. 8) Press in one direction as pictured. (Fig. 9)

To make an "X Marks the Spot" Quilt you will need five (5) "X Block A" and four (4) "X Block B".
